Dear Parents of Spanish Pre-AP and AP Students:

As we end a school year, the Spanish teachers at Edinburg High School would like to let you know that we have your child’s education in mind when we make decisions about summer reading assignments. In order to adequately prepare for AP Spanish exams and to develop your child’s reading and thinking skills within a limited number of months, we require all Spanish I Pre-AP, Spanish II Pre-AP, Spanish III Pre-AP/AP, Spanish AP Literature students to read assigned stories/poems during the summer months. Students will be assessed over the summer reading through tests, essays, and class activities during the school year. Below, you will find a list of the stories/poems that need to be read prior to the first day of the 2017-2018 school year. Your child will need to acquire the necessary book and read it during the summer. Please feel free to call your child’s current Spanish teacher or counselor if you have any questions as to which stories/poems your son/daughter should read this summer.

Please note: **Failure to read assigned novel will adversely affect your student’s grade.**
