Dear Parents/Guardians,

As we come to the close of another school year, summer reading becomes a very important topic of discussion at ECISD High Schools.

To make certain that you and your child/children are aware of topics for summer reading, a list of titles is attached.

To access the complete AP Spanish Literature & Culture reading list, please log on to <http://apcentral.collegeboard.com> and click on Refer to the **AP Spanish Literature and Culture Reading List**. You can then explore the list and print if you so choose to do so.

No matter how you access the information on suggested titles the important thing is that you encourage your children to read every day! Thank you for being the best role models for our young people.

Sincerely,

Mariana Maani
